

Thinking about a career in health but not sure  
where to start?

**Choose Your Own  
Health Career**

Your health career starts here

Choose Your Own Health Career introduces you to some of the most popular and in demand health careers in Queensland.

Jobs in health are not just doctors and nurses working in hospitals – there's a whole world of job options available that could have you working in a health facility or within the community.

Many of these jobs support health professionals by working directly with patients while others work behind the scenes in roles such as administration and even maintenance.

Find out how to get started on your health career today!
